

Helping Hands Assistance Program Application Form & Requirements

The Helping Hands Assistance Program is designed to assist low-income manufactured home owners who need critical repairs to their primary residence. Critical home repairs are those that are essential to remain in the home. The program does not include those items deemed to be cosmetic in nature. The Helping Hand Assistance Program assists people with the greatest need who meet **all** requirements of the program.

Incomplete applications will not be considered!

- If you are in a land-lease community, include a copy of the monthly municipal permit fee. If you do not receive this directly, ask your landlord for a copy.

There is a very limited amount of funding for this program. If any of the requested items are not submitted, the **entire** application will be returned for completion. All program rules must be followed and there are no exceptions. All questions can be answered by reading this application very closely.
